Skills

Languages: C/C++, C#, Python, JavaScript, Dart, HTML, CSS
Other: ReactJS, Flutter, Git/GitHub, VS Code, Unity
Transferable Skills: Communication, collaboration, leadership, patience, problem-solving

Project Experience

GWL App | React Native, Firebase | *Personal Project*
OCTOBER 2025 - PRESENT

- Developing an app for the organization, Girls Who Leap, to efficiently handle communications between 100+ members, including announcements, event scheduling, and messaging
- Leading a team of 4 developers, assigning tasks, managing development cycles, and ensuring quality delivery of core app features
- Organizing weekly meetings between the team and the organization to track progress and ensure clear communication

Disaster Alert System | React TS, Typescript, CSS | *Intro. To Software Engineering*
MAY 2025 - AUGUST 2025

- Developed a website to display recent wildfires and earthquakes, and generated emergency escape routes to promote safety and awareness on climate change
- Collaborated with a team of 4 as a project manager, delegating tasks and maintaining consistent communication to ensure efficient development
- Designed low and mid-fidelity prototypes to visualize flow, gather feedback, and to align the team on design and functionality

Triangle Mesh Rasterizer | WebGL, JavaScript | *Intro. To Visual Computing*
JANUARY 2025 - APRIL 2025

- Implemented a rasterization pipeline in WebGL to render 3D triangle meshes, to improve understanding of low-level graphics operations
- Calculated matrix transformations to apply scaling, rotation, and translation operations, to deepen understanding of 3D coordinate systems and camera projections
- Rendered glossy reflections using the Blinn-\phong shading model to create realistic, natural appearing objects

Work Experience

Daycamp Junior Leader | *Strathcona Community Center*
JUNE 2023 - SEPTEMBER 2023

- Interacted with kids and parents to build positive relationships to ensure a safe, inclusive, and engaging camp space
- Supervised up to 12 kids daily during indoor and outdoor activities, maintaining safety and cooperation
- Coordinated daily field trips by organizing transportation, scheduling, and budgeting, and ensuring all were participating and accounted for

Work Experience Cont.

Rec n' Read Student Leader | *Seymour Elementary School*
JULY 2022 - AUGUST 2022

- Led reading and writing activities to help kids improve on their literacy skills
- Facilitated engaging and fun games to encourage teamwork, communication, and active participation
- Collaborated with 3 other leaders to plan daily lessons and activities, to ensure smooth communication and an enjoyable learning experience for everyone involved

---

Volunteer Experience

Strathcona Youth Council Member | *Strathcona Community Center*
JANUARY 2023 - JUNE 2023

- Planned and hosted multiple community events, promoting community engagement
- Led discussions on community issues and event planning, encouraging collaboration and input from all council members
- Mentored younger members by providing guidance, fostering leadership skills, and supporting their involvement in community initiatives

Strathcona Interact Club Secretary | *Face of Today*
JANUARY 2021 - JUNE 2023

- Organized documents, agendas, and meetings to assist in planning community events
- Assisted other leaders in facilitating annual toy drives to provide families in need with Christmas presents to give back to the community
- Guided younger members in planning and running their own events and activities to promote community engagement

---

Education
